

“Carnival of Culture – HERITAGE COUNTRIES” – Thursday 29th March 2018

Cyprus

India

Just a reminder to all parents and carers about our forthcoming event! The Carnival of Culture will be held on the last Thursday before the Easter holidays. There are no sessions on Thursday 29th March and we are only opening for the performance and art gallery. This is due to the large amount of work staff will have to do setting up the room on the morning of the carnival.

We invite all children, parents and family members to our Carnival of Culture and we would like all children to be at the pre-school, dressed in their costume, from between 10:50 and 10.55 so that we can start the performance as close to 11.00 as possible. We ask that the audience wait in the garden to be seated. Children should choose to dress in traditional attire from the following regions – Sierra Leone, Romania, India, or Cyprus (Greece). Please speak to your child’s keyworker if you need any help.

The carnival will start at 11.00 and we expect the performance to last for approximately 30 minutes. We would then like you to enjoy our art gallery where we will sell to you your child’s carnival artwork for a monetary donation! There will also be refreshments. Thank you in advance, for your continuing support and generosity.

We hope you all have a lovely Easter holiday and please note we return back on Tuesday 17th April.
